

**APRIL 6, 2019**

*INVITATION TO REGISTER*

**CORE GERIATRIC EXPERIENCES IN PRIMARY CARE**

**FRAILTY 1**

**Session Learning Objectives:**

1. At conclusion of this activity, participants will have an enhanced understanding of the concept of frailty and how it impacts on practice management decisions.
2. At conclusion of this activity, participants will have an organized office approach to dementia which incorporates knowledge of delirium, depression and neuropsychiatric symptoms.
3. At conclusion of this activity, participants will have an understanding of the behavioral and psychological aspects of dementia and recognized treatment approaches.

To optimize your learning, program registration requires completion of a pre-test, for your use only. Pre-test results are anonymous.

**To complete the registration process:**
