

MAY 4, 11, & 18, 2021

INVITATION TO REGISTER

CORE GERIATRIC EXPERIENCES IN PRIMARY CARE

FRAILTY 2

***Frailty 2 will be offered as part of a 3-session series.
When you register you are automatically registered for all three sessions.
*Sessions will be recorded.***

Learning Objectives:

1. At conclusion of this activity, participants will have an enhanced understanding of the concept of frailty and how it impacts on practice management decisions.
2. At conclusion of this activity, participants will have a better understanding of polypharmacy and optimal prescribing.
3. At conclusion of this activity, participants will have an organized approach to falls.
4. At conclusion of this activity, participants will have a basic understanding of capacity and an approach to capacity assessment.
5. At conclusion of this activity, participants will have an organized approach to bowel and bladder management.
6. At conclusion of this activity, participants will have an organized approach to advance care planning.

To optimize your learning, program registration requires completion of a pre-test, for your use only. Pre-test results are anonymous.

Complete the registration form <https://nlmaforms.formstack.com/forms/frailty2>
