

# FAMILY PRACTICE RENEWAL PROGRAM

## Palliative Care 1

Palliative Care will be offered as part of a 3-session series.  
When you register you are automatically registered for all three sessions.  
SESSIONS WILL BE RECORDED

### Learning Objectives

At conclusion of this program participants will have:

1. An enhanced understanding of the concept of palliative care and how it impacts practice management decisions.
2. An organized approach to the assessment and treatment of pain, dyspnea, nausea, and delirium in palliative care.
3. Increased awareness of communication strategies for helping palliative patients and their families make informed decisions.
4. Greater insight into responding to the needs of palliative patients in the NL environment.

[\*\*REGISTER NOW\*\*](#)

To optimize your learning program registration requires completion of a pre-test, for your use only. Pre-test results are anonymous.

This one-credit-per-hour group learning program has been certified by the College of Family Physicians of Canada and the Newfoundland and Labrador Chapter for up to 6 Mainpro+ certified credits.

**Location: Virtual Offering**  
**Link will be provided following registration.**
