

FAMILY PRACTICE RENEWAL PROGRAM

Buprenorphine/Naloxone (Suboxone) Treatment of Addiction Program

Join us for a two-session virtual series.

When you register, you are automatically registered for both sessions.

To receive Continuing Professional Development credits, you must attend both.

Learning Objectives

At the conclusion of this program, participants will be able to:

- Explain the basic features of opioid dependency as outlined by the DSM-5.
- Recognize the patient with an opioid use disorder (OUD).
- Understand the initial steps in assessment of the patient with OUD.
- Initiate treatment with Buprenorphine/Naloxone, adhering to prescribed induction protocols.
- Watch for common and uncommon adverse events seen with Buprenorphine/Naloxone and potential drug interactions.
- Evaluate the stability of a patient on Opioid Agonist Therapy (OAT) with Buprenorphine.

Location: Virtual Offering

Link will be provided following registration.

Session Dates: Monday, November 17 & Wednesday, November 19, 2025

Time: 7:00 PM – 9:30 PM

Physician Speakers: Drs. Francisco Acevedo, Leslie Manning, Kaitlyn Stanford

This activity has been certified by the College of Family Physicians of Canada and the Newfoundland and Labrador Chapter for up to 8 Mainpro+ certified activity credits upon completion of the pre- and post-assessments.
