

FAMILY PRACTICE RENEWAL PROGRAM

Planning for Success with Digital Tools

A virtual information session designed to help Medical Office Assistants prepare for success with the use of digital tools in clinic

Friday November 28, 2025, 12:15-12:45 pm

Join Practice Facilitators on November 28th from 12:15-12:45 pm to learn more about digital tools, how they can contribute to the overall efficiency of your clinic and how you, as a Medical Office Assistant can help prepare your clinic team for successful use of digital tools.

By joining you will

- Learn about digital tools and their use in healthcare
- Learn the benefits of using digital tools for patients and clinic staff
- Understand your role in helping your clinic prepare for success with digital tools
- Understand the next steps to prepare you and your clinic for the successful use of new digital tools

Interested? Click the link below to register for the session on November 28 at 12:15.
